NEWSLETTER OF GENEALOGICAL SOCIETY OF VERMONT

VOL. 3, NO. 2

SPRING, 1974

Carol Church, editor, Westminster West, RFD #3, Putney, Vt. 05346

## WHO IS SHE?

While at the Michigan State Archives, a shoe box of unidentified pictures was given to one of our members. Among them was "MIRA" taken in Ludlow, Vt. The Saginaw (Michigan) Genealogical Society tries to assist in such a case, for pictures found in this area. I thought the Vermont Genealogical Society might be able to find out whose grand or great-grandmother she was.

On the back of the original it says-- Photographed by A. BIXBY, M D Ludlow, VT negatives preserved. And handwritted, it says-- Mira, Windsor County

No one seems to know her surname. Can anyone identify her?? If so please contact our archivist, Mrs Florence Lawson, 26 Spruce Street, Brattleboro, Vt 05301 as she has the original

**BUDDING OUT:** I find many interesting things in my mailbox when I come home each evening some of which is being shared with you here:

Mrs Arthur S Kerr PO Box 25 Orleans VT 05860 inherited from a distant cousin many photographs & daguerreotypes of John Agustus & Charlotte (1790-1862 Haight) Arthur, Sr., who are said to be related to President Chester Arthur. She is willing to share these photos with anyone more closely related than she. She also asks Is there an ARTHUR family association?

Mrs Kerr has the following published genealogies which she will check for interested members:

Gen'l Hist. of Deacon Stephen Hart 1632-1875 by Alfred Andrews, New Britain, Conn ... Hartford, 1875.

Laflin Gen., by L E Lafin... Chicago 1930. Add. & Corr. for Thomas Hungerford of Hartford & New London by F Phelps Leach... East Highgate, VT, 1932.

Darby G Livingston Box 93 Hoosick NY 12089 does genealogy professionally. He has copied many cemeteries in Rensselaer Co. NY Bennington Co. VT, Washington Co. NY and Clarenceville and Lower Canada, Province of Quebec. He has a complete copy of the Bush Cemetery in Alburg, Grand Isle Co. VT.

Mr B B Bosworth of Fairhope, ALA sent us a newspaper clipping from the Fairhope Courier which states that Mrs Lee Carlson, a member of the Genealogical Soc. of VT was a speaker at a recent meeting there. Mrs Carlson is from Pensacola FLA. Our members really do get around.

Mrs Arthur S Kerr, address above, also has a copy of The History & Genealogy of the POMEROY Family (all 962 pages of it!!) pub by Albert A Pomeroy, Toledo Ohio 1912. It records the ancestors & descendants of Eltweed Pomeroy - 1630. She is willing to check data for any of our members.

Mrs George H Gasset RFD #1 Putney VT 05346 would be glad to help any one with the cemetery records of Putney. She says she doesn't have ALL the Cemetery Records but she certainly has a large percentage of them and can probably help you with your Putney problems.

Merton Sage of Pleasant Valley, Cambridge VT 05444 sent a catalog of Vermont Books from J K Graffagnino PO Box 135 Williston VT 05495. Lots of good reading there.

Frank C Seymour has done a lot of research for his HORTON Genealogy and writes that if he can help someone by furnishing data on the HORTON family he will be glad to do so. His address is 2159 N W 28th Place Gainseville FLA 32601.

Mrs Joyce M Masterpaul 206 S Geneva Street Ithaca NY 14850 recently sent in her charts for the ancestry service and is most happy to share information with others working on the same lines. She is reasonably sure most of her info is correct and has the sources for most of it.

**CATHOLIC CLERGY IN VT--** If you have a Catholic priest in your Vermont family, you may wish to know of the biography which is being compiled. Rev Joseph N COUTURE, priest historian has been gathering data for years on all priests who have been born or served in Vt throughout its history.

Father Couture wrote The "HISTORY OF ST JOSEPHS CHURCH in 1960. He was also one of the founders with Leon Dean of the Chittenden County Historical Society and one of its vice presidents.

Father Couture is a native of Burlington and son of St Joseph's parish. This was the first national parish in New England established in 1850.

An excerpt from the CATHOLIC CLERGY OF VERMONT appeared in the Sept 12, 1973 issue of the VT CATHOLIC TRIBUNE featuring the centennial of the ordination of the Rev John S MICHAUD, 1st native Vermonter ordained for the diocese of Burlington and the 2nd bishop of the diocese. Rev Joseph N Couture may be addressed in care of the Fathers of ST Edmund Route #1 Box 652 Coden Alabama 36523.

Mrs Ruby Parke Anderson Parke Library & Museum The Mill House No. Stonington Conn 06359 is compiling 6 vols of "The Parke Scrapbooks" of which 3 are published & the 4th is nearly ready Her work starts with Robert Parke 1630 to Mass. and includes all Brown descendants and intermarried families. All given material is filed in the Parke Library Museum & all loaned material is copied and returned to owner. She would appreciate any PARKE names and addresses.

Mrs Samuel G Williams PO Box 376 Williamsport Maryland 21795 has a large personal library on all the northern NY state counties except the western ones (especially Hamilton & Warren) and 7 histories of South west Michigan. While living in Mich. she indexed & mimeographed the 1845 census of ST Joseph County. She would be glad to share these in a limited way with other members willing to pay the postage & share info with her. She also has info on UEL members of Ontario Canada & has done research in Ottawa, Toronto & Kingston on that subject. (EDITOR QUERY: What is UEL?)

Mrs Williams is also involved in the process of starting a Genealogical Society in Hagerstown Maryland for the first time.

Another member asks: Could you comment in "B&T" on how a person born out of wedlock with no birth record and not knowing his or her parentage handles a family tree? If the mother is known? If taken the name of a stepfather with no right to it by adoption or otherwise? Any answers to these questions will be printed in the next issue.

The Central FLA Gen & Hist Soc will sponsor a spring workshop in Orlando Florida on April 20. Any of our Fla members who are interested may write to Box 177, Orlando Fla 32802 for more details or may contact Minnie F Witham 5521 Jessamine Lane Orlando Fla 32809.

FALLING LEAVES:

The Editor and the Genealogical Society of Vermont assume no responsibility for errors appearing in "Branches and Twigs". We print EXACTLY what our members send to us. If There is an error in spelling or in dates on the submitted copy it will appear that way in print. We may occasionally question what seems like an obvious mistake by using the mark(?). It is our desire to print only reliable genealogical material. If any member notes any mistakes in our newsletter, please inform the editor so that the correct information may be put in the next issue.

We are now exchanging quarterlies with many other genealogical and historical societies across the country. Members may borrow these bulletins for a period of two weeks. The only charge to you is the cost of postage both ways. When you borrow bulletins I pay the postage. Please return that amount in either coins or stamps when you return the bulletins.

All monies for membership dues, for the Permanent Fund, for back issues of "Branches & Twigs" should be sent directly to our treasurer, Mr Leo Fleury, 164 Saratoga Ave, Burlington VT 05401. This will result in faster service for you.

Our treasurer should also be informed of any change of address. If you move let Leo know. The post office will not forward copies of BRanches & Twigs which is third class mail.

Back issues of "Branches & Twigs" are still available from the treasurer, Leo Fleury. Vol 1 nos 1, 2, 3, & 4 also vol 2 nos 1 & 2 cost 50¢ each. Vol 1 index cost \$1.00 each Vol 2 nos 3 & 4 also Vol 3 no 1 cost 1.00 each.

If you have a query you'd like printed in the TANGLED ROOTS section of "B&T" please send it to our archivist, Mrs Florence Lawson, 26 Spruce St, Brattleboro VT 05301. Any queries sent to the editor will not be printed.

The editor needs material for the next issue of "B&T". Bible records, church records, school lists, court records, wills, family records---- all are welcome in our pages. You send, we print. Any items to be printed in "Branches & Twigs" should be sent to Mrs Carol Church, Westminster West, RFD #3, Putney VT 05346.

APPLE ORCHARD:

ANCESTRY SERVICE

Any member wishing to be listed in the ancestry service should please follow these directions.

1. On 1 sheet of paper make an alphabetical list of the surnames on your tree. (parent grandparent, etc. DO NOT list their children) Use maiden name for all females.

example:  
 CHURCH  
 CUMMINGS  
 LE CAIN  
 MIFFLIN  
 RICHARDSON  
 VAN BLARCOM

2. On a 2nd sheet of paper begin with the first surname on the list, starting with the relative closest to you and working backwards in time. Chart name, (spouses name in parentheses), birth place, birth date, marriage place, marriage date, death place, death date, and your membership number. example:

CHURCH:  
 Lloyd Ellsworth (Carol Le Cain) N.H. 1930 VT 1955 51  
 George Joel (Viola Moody) N.Y. 1896 NH 1921 NH 1959 51  
 James Turner (Cora Pike) Can c1860 NY c1892 Mass 1925 51

3. Repeat the process for the second surname on your list, the third, the fourth, etc.

Example: CUMMINGS:  
 Mary Amelia ( Joseph J Le Cain) Me 1853 1875 mass 1931 51  
 Andrew (Mary A \_\_\_\_\_) Me 1812 51

LE CAIN:  
 Carol Ruth (Lloyd Church) Mass 1934 Vt 1955 51

 Joseph J (Mary A Cummings) Me 1849 Me 1875 Mass 1921 51  
 Benjamin (Zulima Richardson) Me 51

4. All lines with the exception of members married surnames, will begin with a female name. example: see CHURCH above.

5. Members may find it easier to work with just a portion of their list at a time. For example: all the A, B, & C surnames, sending in additional charts later. PLEASE TYPE all charts if possible.

6. Your names, address, & membership number should be on the bottom of each sheet.

The surname list will not be printed in "B&T" but will be filed with the ancestry service committee, enabling them to know in advance how many members are working on a given surname, or how many charts will be soon arriving. The chart with the surname worked backwards through time is what will be published, along with other charts of the same surname. Additional charts may be sent in at any time.

Even though the ancestry service committee may be enlarged and may have several out-of-state members, a central file of ALL charts and lists recieved will be kept by the editor.

Member PLEASE if possible send 2 copies of your ancestor list and charts. Mrs Woodman & Mrs Church both need copies to keep their records straight. Please send them to:  
 Mrs Mary P Woodman 402 Comet Drive Hendersonville North Carolina 28739 or to  
 Mrs Carol Church Westminster West RFD #3 Putney Vermont 05346  
 If only 1 chart is submitted please sent it to Mrs Woodman.

## WINCHELL GENEALOGY

Mrs Florence Ellsworth Schiele, 11360 Forest Ave Chicago, Ill 60628 (GSV #722) has donated a copy of her new WINCHELL GENEALOGY which has just been published, to our society library. This book has been printed in a limited edition of 100copies. A copy has also been presented to the Chicago Genealogical Society; Winnetka Library; LaPorte County museum; and Goodspeed's Book Store in Boston.

This book is not intended to be a complete genealogy of the WINCHELL's but attempts to trace the descendants of Stephen WINCHELL and his wife, Asenath (NORRIS) and their eight children who were pioneers in settling in LaPorte County, Indiana. Stephen is descended from Robert WINCHELL who came from England to Massachusetts but eventually settled in Windsor, Connecticut. Robert's descendants settled later in Farmington, Connecticut; Cayuga County and Broome County New York, as well as LaPorte County Indiana.

We thank Mrs Schiele for this gift which will be a welcome addition to our growing genealogical library collection.

This family record is in a Bible which belonged to Sarah Morse Spofford. It was a Christmas present to her from her son Emerson S Spofford. It is now in my possession. The record is on a separate paper not attached in the Bible. In the records the name is spelled SPOFFORD with an "O" but in the Windham County Gazetteer it is spelled SPAFFORD with an "A". My mother-in-law says that it was pronounced Spafford.

Note - Sarah Morse Spofford (my grandmother's aunt) was the daughter of Walter Morse born Oct 24 1794. He came from Woodstock CONN about 1825 to Wardsboro VT. Walter Morse was first cousin to Samuel Finley Breese Morse, the inventor of the telegraph and Morse code.

This Bible is in the possession of Mrs Guy  
Austin, Saxtons River VT. William Parker was  
her great grandfather. A few of these names  
and dates were not in the Bible but were told  
to me by Mrs Austin or found in old newspaper  
clippings which she has in scrapbooks. If any  
one knows anything of the ancestry of Nathan  
B Howe who married Martha Ann Parker I would  
be interested as I have been searching for it.

If any members are interested in the PARKER  
genealogy I have the line back to Thomas Parker  
who came here from England in 1635 with names  
of most of their children.

(From article in Minook News January 18 , 1900)

During the winter of 1854 and 1855 in a physician's office in Rutland Vermont, an association of 200 members was formed which resulted in the founding of Rutland, Illinois. The president of the association of 200 members was Dr H D Allen, later one of Rutland's oldest and most respected citizens. And it was in his office that the association was organized and later on this same office witnessed the making of the plat which was such an important factor in the origin and founding of the village. The object of this association was to buy government land in the west, preferably in Iowa, and there lay out a town and then move to this Eldorado. This assoc. had 12 trustees 3 of whom were the officers, president, secretary & treasurer. When their plans had been completed Dr Allen and W B Burns were chosen to come west to make an investigation and buy land, acting under the direction of the association.

They came to Chicago by rail, then to Galena & Dubuque, and after traveling over most of Iowa, Minnesota, Wisconsin and part of Illinois they returned to Vermont with their news; it fell like a damper on the assoc. and several of the 200 men, being discouraged and disheartened, withdrew from the assoc. But the rest of these New England speculators were not to be outdone, so it was not long before Dr Allen & Dr Burns made another trip west and this time they succeeded in buying eighty acres of land where Rutland now is located, part of it from the Illinois Central Railroad and part from the government. They then returned to their homes and later a plat was made for the new town, finally in November 1855 D F Hitt, the county surveyor of LaSalle County, laid out the little village.

W B Burns, Dr H D Allen, John Emery, and Daniel Wadleigh, Zimri Ames, James Kirkaldee Amos Way, and Willard Proctor, with their families, then came from the New England States to settle in this new western village. Dr Allen built a large frame house east of the railroad, where he and Mrs Allen and his son, M D Allen, and family resided. (Mr and Mrs Horace Allen now reside there) WB Burns built a large hotel on the site where Pedros Tavern now stands; it will be remembered as the Whipple Hotel. This was the first hotel that was ever built in Rutland, and it was burned to the ground in the fire which swept away so many business houses in February 1896. J H Whipple was its proprietor at the time of its destruction. Mr Burns also erected 2 houses near the hotel; one of them being where Banker M C Roe lived, and now Mrs Charles Jacobs resides there; and the other just east of it where George Dolen and family resided; and it is now the house where the telephone company office is located. Not much can be gathered concerning Mr Burns' life. He and his family left Rutland in 1870 for the state of California, and has long since gone to his reward.

John Wadleigh built his house in east Rutland on the site where Mrs Mary Marshall house now stands. Willard Proctor moved to Proctor Illinois.

The town seemed to grow very slowly and in 1861, there were not more than a dozen houses that dotted the prairie and showed where the village of Rutland nestled. There was no depot on the railroad, and only a small section house a little south of what is now the present village was provided for the section men on the railroad.

In 1865 a subscription amounting to over \$1,600 was raised by the businessmen of Rutland and the mill at Panola Illinois was bought. It was then torn down and rebuilt at Rutland near the Illinois Central Railroad on the corner a block west of Ernest Crumrine's present dwelling house. It was soon afterward purchased by W B Burns, and he and his sons did a large business in grinding and shipping corn meal, and shipped large quantities to dealers in the West Indies and Nova Scotia. It was purchased in 1875 by Emerson Hakes, who thoroughly refitted it and carried on a good business until August 1883 when it was utterly destroyed by fire. The total loss was estimated at \$10,000.

The officers of the township during the year 1857 were undoubtedly the first officers of the township: W B Burns was elected Supervisor; John Wadleigh, Clerk; Geo W Gray, Assessor; and S M Scott, Collector.

Rutland was incorporated as a village in 1857, and took its name from the city of its birth, Rutland Vermont. It was called New Rutland until about the year 1873 when the village authorities changed the name to Rutland.

In 1865 a stock company consisting of 25 citizens of Rutland was formed, (each share amounted to \$100), for the purpose of starting a coal mine. In 1866 at a depth of 275 feet, a three foot vein of coal was found and what is now the old coal shaft was sunk. Among the stockholders were John Brevoort, Dr Allen, C P Thompson, W B Burns, Charles Weeks J Coffman, and J J Roe. For some reason, however, the work was not continued, and the shaft was abandoned. Later it was worked by F W Burns and Co. One of the largest stockholders, John Brevoort, then took it up and carried on a good business until 1878 when he sold it the William Maher. Afterwards it was bought by Milton Roe and Emerson Hakes and in 1885, Mr Roe sold out to Mr Hakes, who then sunk the new coal shaft and used the old one for the air shaft. The new shaft was 500 feet deep. Mr Hakes carried on the mining interest and employed about 250 or 300 men in the mine.

The first store building was erected by John Wadleigh in 1859, on the corner where George Austin's brick store was (now Gapen's Hardware). The Wadleigh Building was des-

troyed by fire in 1899.

#### FOUNDERS

As related in the early history, Dr Horace D Allen of Rutland Vermont, was one of the founders of the village of New Rutland and was probably the originator of the plan for a colony in the west.

He with his wife, Susan Smith, and three children by his first marriage came to reside here in 1860, building the house on the farm which his grandson and namesake, Horace D Allen and wife now own and where they make their home.

His two daughters, Mrs Flora Fraser, and Mrs Carrie Proctor, lived elsewhere after marriage. The later's husband was Edward, son of William Proctor.

His only son, Merritt, married Louise Webber, who died early in life, leaving two children, Blance and an infant son, Horace. Horace

Horace was cared for by his grandparents and continued to live with them.

Blance married Ralph Baker, and their three children live near here; Bert Wenona, Mrs Louise Falk Minonk; and Mrs Marjorie Weyeneth, Peoria.

Merritt Allen's second wife was Lynda Doan of Marietta Ohio. Later they located in California, returning to Rutland where Mr. Allen died. Mrs Allen is living at Pomona, California.

Dr Allen practiced medicine as long as his health permitted, and was a leader in all community affairs.

His wife, Susan, survived him, living to be over 95 years of age, retaining keen mental faculties. She was a woman of culture, with a fine spirit of friendliness and she was a favorite with neighbors and friends, being at even an advanced age, an interesting companion.

At the last October Genealogical Society meeting some member (Name unknown) asked if there was a HALL family Bible in a museum in VT. A letter received by the editor supplies that information,

March 13, 1974

Dear Editor,

There is a question in my winter issue of "Branches and Twigs", page # 2, "Is there a HALL family Bible in some museum in VT?"

I don't live in a museum in VT., but I have a HALL family Bible in my living room. I inherited it from my grandmother who died in Bristol, Vermont.

It belonged to Richard HALL 1762-1843, and I'll be happy to share the information in it.

Very truly yours

SPRING MEETING at BRADFORD

SAT. MAY 18 see page 43

TRAILING VINES:

Written for the Gates Gathering  
of August, 15th, 1872  
at  
Gardner, Mass.

by L.H. Brown

How swiftly, time is fleeting by;  
How fast, we're growing old;  
Soon we, shall in the church-yard lie,  
So silent, pale, and cold, -  
But while on earth, we'll all be gay,  
Nor brood, o're sorrows past,  
For there'll be no more night, than day,  
While life, and being, last.

We come today, from far and near,  
As brothers, to unite  
Round this old homestead, ever dear,  
And precious, in our sight.  
In yon old Cot' our Grandsires dwelt,  
Within those walls they died,  
Around that hearth in prayer they knelt,  
Their little ones beside.

We think of those with fond regret,  
In death, so cold and still,  
That once like us, together met,  
On this the "Old Beech Hill",  
And o're these fields, so broad and fiar,  
In childhood, oft' they played,  
Till freed from every earthly care,  
Thro' Heavenly Gates, they stray'd.

Tune, Auld Lang Syne

The absent, tho' from us so far,  
To us, are ever near,  
With no rude GATES, their course to bar,  
We hoped to meet them here.  
Our GATES are all so good and strong,  
No foe can enter in  
To lead us in the path of wrong,  
Thro' artfulness and sin.

One hundred years, or more have flown,  
Since Simon, young and gay,  
Took sweet Susanna, for his own,  
Till called by death away.  
Five generations fill the space,  
An honor to the town,  
That we in history can trace,  
By Glazier, handed down.

We may not all, meet here again,  
Our voices to unite,  
Tho' every link in friendships chain,  
Will shine with purer light.  
And when we're called to that bless'd land,  
Where parting is no more,  
We'll take each other by the hand,  
And walk the golden shore.

////

I have the original poem in my keeping - it was kindly given to me by Mrs Dorothy (Gates) Hawkins. I've been working on the GATES genealogy for several years now and have never seen anything quite like this poem. Unfortunately the Simon and Susanna Gates it mentions are not of my line, so I can provide little in the way of further information. Perhaps some of our readers would know more. Mrs Hawkins is from Plainfield VT and apparently descended from Simon and Susanna.

CEMETERY CORRECTIONS

In the Winter issue in the cemetery section on Moriah NY there are errors that should be corrected. On page 13 - MILL BROOK CEMETERY under BLODGETT:

BLODGETT. Martha, wife of Ebenezer d Aug 13 1865 age 66 is correct. She was Martha Chapman born in Grafton VT July 18 1799. She was my great grandmother on my father's side!! Now the error come in. Ebenezer and Martha were married Jan 30 1823 - so they could not correctly have children born in 1813!!

The correct information: Eliza Jane (not Jones) d May 4 1829 age 1 year; Bradford d April 30 1843 age 8 years; Cutler (not Sutter) d May 5 1843 age 2 years; Hubbard d May 3 1843 age 5 years. The errors were obviously made because of the condition of the stones.

The source of this information was "Descendants of Thomas Blodgett of Cambridge" by Bradley De Forest Thompson and Franklin C Thompson - obtained from the New England Historical and Genealogical Society when I was doing the research on my grandmother's Harriet Blodgett family!! It is the best family genealogy I have ever read!!

On the same page in the same cemetery - the line above AUSTIN:

Lois H WOODRUFF wife of Wm J Austin -d Dec 5 1891 age 78! She was born in 1831- the daughter of Phineas and Mehitable (Lincoln) Woodruff. If the death date is correct (and I have no information here) she couldn't have been seventy eight at that time!! She would have been sixty years old. This makes her husbands dates suspect!! I was told by an ancient second cousin of mine, the Hon. Herbert Palmer of Bridgeport VT, that the family were "very much" against the marriage and she was to all intents and purposes "cut off"!! I myself did the research on her when Susan Woodruff Abbott was compiling "The WOODRUFF Genealogy". I found it impossible to get provable information. She had a son, Ferrand (?) and a daughter, Lois!! No dates.

MACOMBER CEMETERY GRAND ISLE

The Macomber Cemetery in Grand Isle, an old Quaker cemetery, is divided into two sections, one with headstones and the other with a large boulder placed on behalf of those members of the Meeting who disapproved of individual monuments.

The "Quaker" stone is inscribed as follows:  
 Here sleep with their children many  
 of the first settlers of Grand Isle.

Daniel Hoag 1761-1809  
 Wesson Macomber 1764-1819  
 Wyman Chamberlain 1772-1838  
 (?) Wanen Corbie (?) 1769-1834  
 James Tobias 1759-1810  
 Jonathan Griffith

the top of the stone is inscribed:  
 Seth Hoag 1798-1887  
 Arah Hoag 1798-1880

and on the south side:  
 Mosher Hoag 1801-1837  
 Lavina Hoag 1804-1891  
 James Hoag 1805-1897  
 Amy T Hoag 1821-1888

A further inscription reads:

Erected AD 1899 "In memory of the Society of Friends - In 1827 they erected a meeting house near this spot where for 50 years they worshiped God. They stood for freedom of conscience, universal peace and spirituality of worship. Having finished their labors they here lie buried and their works do follow them -"

"Ye are my friends if ye do what so ever I command you - John 15-14"

The information was copied by Ruth Gordon, a lifelong resident of Grand Isle, who says that possibly others are buried in the lot whose names are not carved on the stone. It is interesting to note the equitable way these people resolved their differences over the matter of individual markers.

TYPES OF EARLY GRAVESTONES

It is quite probable that most of the designs for gravestones came from England. Similar types may be viewed in English churchyards.

The oldest are of slate and have a blue or green tint. These date previous to 1800.

After the eighteenth century there was a change for the worse. The lettering became poor in shape and in character, and the stones lost much of their natural charm and proportion.

The flat stone is earlier than the headstone, and both ran through a variety of types, the simple to the complex.

The designs on this page will show a development of gravestones from 1676 to 1777.

Early American colonists favored the type common to English churchyards during the eighteenth century. While the Scottish headstones show more variation.
